SPEAKER: John Nagy FCGA – Reid Hurst & Nagy
As one of the firm’s shareholders and directors - John brings a wealth of governance and strategic planning resources to the firm and his expertise in these areas are highly regarded by the profession, governments, industry and clients. He currently serves on the Canadian Accounting Standards Oversight Council and on the Accounting Practices Advisory Committee to the Ministry of Finance of the Province of BC. John has recently been appointed by the Province of British Columbia to the Real Estate Council of BC. John is planning to enlighten us with an update on the upcoming HST and how it will affect business on a day to day basis.

- HST and its impact on business
- Transitional dates and handling the transition
- Industry specific issues
- Accounting and compliance issues
